Re: Request for Fee Petition and Time Reports

Dear Burt:

I understand that you filed a fee petition in the Swiss Bank case. Your memorandum of January 3, 2006 refers to a "petition for counsel fees, dated November 1, 2005." The court docket (number 2881 entered December 23, 2005) reflects a "Declaration of Burt Neuborne in Connection with Services Rendered to the Plaintiff-Classes as Lead Settlement Counsel." The only filing which is retrievable from PACER is the January 3, 2006 Memorandum of Law in Support of Lead Settlement Counsel's Application for Counsel Fees."

I believe I had a right to be served with all your papers at the outset, including supporting time reports, but in any event I am requesting that you provide them to me directly at the address above, on an expedited basis.

The need for expedition is to enable my clients to pursue their rights under Rules 23, 54, and Local Rule 23.1 to lodge objections, present adversary submissions, and obtain a hearing regarding your fee request.

Thank you for your immediate attention to this matter.

Sincerely,

Samuel J. Dubbin, P.A.
